Your Support Has Helped Us Double Our Impact!

Dear Supporter,

We have some good news to share with you!

We are proud to have achieved so much together in 2022- from expanding our reach from 45,000 to over 90,000 children to successfully integrating mental health & wellbeing programme, launching new initiatives like 'happy classrooms' and many more. We couldn't have done it without your patronage and good wishes.

We are incredibly grateful for your generous support and we are counting on you to help us reach our goal of 250,000 by 2025.

Please continue to be part of our mission and help us make a real difference in the lives of those in need.

I AM KHUSHII

For the last 5 years since I joined the organization, KHUSHII has not only given me happiness but also the inspiration to keep doing better for the children of our country.

The joy that I see when I am in school with children when I hear their dreams, the way they are preparing themselves to make them a reality the glint in their parent's eyes who have not had the opportunity to get an education makes me so happy, that it enthuses me to do better.

I feel grateful that I am part of an organization that is committed to ensuring the holistic development of children in India. Personally, I have witnessed how quality education, mental health support, and our endeavors toward holistic development enable and empower our children and youth.

It is awe-inspiring to see how the pursuit of holistic development makes a tremendous difference not only in an individual's life but it helps uplift the entire family.

I feel proud that being KHUSHII I am serving my country.
