Celebrating two decades of education for underserved children

Dear Supporter,

Your support has been instrumental in transforming lives and shaping futures. We're thrilled to celebrate along with you two decades of providing education to the underserved children.

Thanks to your unwavering commitment, we now operate in **13 states**, serving through **78 schools** and **21 Community Learning Centres**, positively impacting **184,752 students** across India.

Here's to twenty years of dedication and progress. Thank you for being a part of our journey and for your continued support as we work towards reaching our goal of empowering 250,000 students by 2025!

With heartfelt gratitude,

Harish Gosain
Executive Director

250,000 CHILDREN BY 2025

The light of education must reach every child

In a world where opportunities are not equally distributed, education serves as a beacon of hope that guides every child towards a better future. At KHUSHII, we firmly believe that every child, regardless of their socio-economic background, deserves access to quality education. Education empowers children to break free from the cycle of poverty, equipping them with the knowledge and skills needed to pursue their dreams and contribute positively to society.

KHUSHII is dedicated to making education accessible to every child in India through various programs and initiatives. We work tirelessly to prevent school dropouts, provide scholarships, and offer skill-building workshops to underserved children. Our commitment is to break down barriers and open doors to opportunities for these children.

KHUSHII is transforming individual lives and building more resilient communities by empowering children with education. With each child we reach, we are sowing the seeds of change and fostering a brighter tomorrow for generations to come. Together, let's continue to shine the light of education into the darkest corners, ensuring that every child has the chance to thrive and succeed.

We need your support to reach 250,000 children by the year 2025.

WE ARE KHUSHII

At KHUSHII, we've seen its transformative power first hand. With over 20 years of experience, we're dedicated to ensuring every child has access to quality education.

Studies show education boosts income by 10% per year of schooling. Educated individuals are more employable and contribute to the economy. Education also fosters social cohesion and inclusive growth.

Through scholarships, teacher training, and infrastructure development, KHUSHII is creating an educational ecosystem that nurtures talent and innovation. Our goal is to empower every child with education, breaking the cycle of poverty and building a brighter future.

Together, let's create a stronger India where every individual can thrive.
