## TESTIMONIAL

"I'm Arsh, a student of KHUSHII since 8th grade. I recently completed 10th grade at KHUSHII Centre (Sangam Vihar, Delhi). Alongside academics, I explored coding, STEM, library, and digital classes, enhancing my learning experience. KHUSHII's positive environment nurtured my love for studying. In 10th grade, I scored 93% in Mathematics and 79% in Science. I'm so grateful to KHUSHII teachers and SANDHAR for their educational support"-

Arsh, Class 10th
